Right to Information

A long-awaited step in achieving transparency in the administration has been taken by enacting the Right to Information Act, 2005. It is necessary for the citizens to know as to how and why a Particular decision is taken and for that purpose to seek information before making or drawing any conclusion. The purpose of this Act is to bring in transparency in administration machinery making it more open and free. This Act is applicable to whole India except the State of Jammu and Kashmir.

The object of this Act is to make our society open and public authorities more accountable and information must be made available to private citizen subject to the right of privacy and other exemptions provided for.
